LOCAL NEWS.

SUICIDE. - Charles Watson, a colored man who was declared insane by a committee some months since, was found, yesterday evening, by some of his family, suspended by the neck from a rafter in the garret of his house, near the Bridge Pump. He was dead when found. It seems from the evidence before the coroner's jury that he had in the absence of his family bill; and having nothing further to present gone into the garret, and taking a piece of rope tied one end to the rafter and after taking a double turn of the rope round his neck dropped forward on his knees, and was thus strangled The coroner's jury returned a verdict of death from suicide by hanging while laboring under insanity. The deceased was a native and a life-time resident of the city, and was, three or four years ago, elected a member of the Board of Aldermen, but never took his seat, because the election was illegal. Of late years he has been engaged in the junk business.

POLICE REPORT. - The following cases have been reported at police headquarters since yesterday afternoon:

A colored boy named Sam Dorsey, who had shot a colored girl in the head with a rubber sling, was discharged by the Mayor as the father promised to whale him well.

Justice Padgett appointed Messrs. John Harlow, J. P. Rice and Joseph Kraig appraisers of the personal property left by the late

Mary Franks. A colored man known as Shouting Pete, for stealing coal from West's brick yard, in the county, was fined and discharged by Justice

Wright. Jonah Gaines, colored, was arrested and locked up, charged with stealing a watch be-

longing to Travis Pinn, also colored. Eight lodgers were accommodated at the station house last night.

CITY COUNCIL -A regular semi monthly meeting of the City Council will be held tonight, when, it is probable, the condition of St. Asaph, Princess and Oronoko streets will be considered, and the grades of those streets be determined upon. Mr. Hollingshead, a property holder in the section of the city and Dr. D. M. French were allowed. traversed by those streets, and opposed to the late alterations that have been made in their dinary. grades, says that if Boards of Public Works Charl and Committees on Streets had been in existence during the earlier ages, and had graded the seven hills upon which Rome is built, that city would never have obtained the prominence it now holds in history.

RADICAL SENSATION. - In alluding to the reappointment of Miss Ameiia Jackson, mention of which was made in yesterday's Gazette, the Baltimore Sun, of this morning, says: "A daughter of Jackson, the Alexandria hotel keeper, who killed Colonel Ellsworth, was discharged from the Treasury Department a short time since. Through the influence of Colonel Musby, the President ordered her to be reinstated, and it is said has directed that she shall not be disturbed during his term. There is terrible indignation in Radical circles in conse-

COMEDY THEATRE. - A large audience was present at Sarepta Hall, last night, to witness the performance of Wildman & Co.'s theatrical company, and the applause that greeted the rendition of the several parts of the programme received. The company carry with them their own scenery, and though the stage room of the hall is limited, they made the best use of it possible. Rip Van Winkle will be produced to night, and will, doubtless, attract a full house, as the entertainments of this company are as chaste and polite as any public exhibition could possibly be.

ALEXANDRIA AND FREDERICKSAURG RAIL-ROAD. -- Pursuant to notice the annual meeting of the stockholders of the Alexandria and Fredericksburg Railway Company was held in this city this morning at ten o'clock, when the following officers were elected to serve during the ensuing year: Thos. A. Scott, Wm J. Howard, Jno. P. Green, Albert Hewson, N. G. Ordway, Wm. T. Walters and E. L. DuBarry, Directors. G. B. Roberts was subsequently elected President, and Albert Hewson, Secretary and Treasurer. The meeting then adjourned sine die.

FORTUNATE ESCAPE. -- Mrs. Newman, while riding with her brother, Mr. Wm. Windsor, near Fairfax Court House, on Sunday last, was badly, though not seriously hurt. The lynchpin broke while they were descending a hill, and the body of the buggy falling, they were thrown out, the reins becoming entangled around Mrs. Newman's neck, but fortunately the horse stopped as soon as the accident occurred and some bruises were the only injuries

HERRING.-Large numbers of herring continue to be caught in the Potomne, and many are brought to this city and sold in the market. They are, however, said by old fishermen to be neither the branch nor glut herring of the Potomac, but to be that variety of the fish known as the Eastern herring-while others maintain they are merely skip jacks. Owing to the long continued drought the water in the river is brackish almost as high up as this city.

VILLAINOUS ASSAULT. - An old colored woman, named Betsy Brown, was assaulted by au unknown colored man, in an alley at Buzzard's Roost last night, and terribly cut and beaten, and doubtless would have been horribly dealt with had it not been for a gentleman living in that neighborhood, who hearing her cries, went to her assistance, and at his approach the villain rau off.

COMMITTEE ON LIGHT. - The City Council Committee on Light met last night and determined to report that it was inexpedient to introduce gas into the jail; also against buying any more coal at present; also that if the Sun Engine Company rent their hall for political purposes its supply of gas shall be cut off at

EXCITEMENT IN A COURT HOUSE. - A fight occurred in the Court House lot in Leesburg yesterday, during the session of the County Court, and so great was the excitement caused by it that everybody in the Court House, including the jury, who were trying a case, rushed out to witness its termination.

More Settlers. - Mr. J. T. Crawford of Salineville, Onio, with a numerous family, arrived here this morning en route to Nokesville, near which place he intends to settle, having lately purchased a farm there.

LAND SALE -Oo Saturday last Messrs. Green & Wise, real estate agents, of this city. sold one hundred acres of land to Fauquier county to a gentleman of Pennsylvania who intends to make this State his future home.

Ague Conqueror;

No QUININE, ARSENIC OR POISONS.

This is strong language, as Physicians and Chemists have for years tried to compound a preparation that would entirely cure Fever and Agre without the use of strong medicine, such as Quinine, Arsenic and other poisons injurious to the system. There is no case of Fever and Ague, Intermittent or Bilious Fevers, Congestive Chills, Night Sweats, Liver Complaints, &c., that this remedy will not cure at once and permanently. It purifies the Blood, Liver, Spleens and all secreatory organs so effectually that the Chills will not return during the season, even when persons have had them for years.

Record of Crime.

Union, N. Y., Nov. 10. -Sarah Thornton, whose throat was cut by Levi Thornton, her brother-in-law, at Day's Hollow, Sunday, November 1st, died on Saturday. Her murderer lies in jail in a critical condition from the wounds he made in his attempt to commit sui-cide. In March last Mrs. Thornton eloped with her brother-in-law, but repented and rejurged to her husband, who forgave her. Soon after Levi Thornton came back and obtained his brother's forgiveness, but abused the confidence placed in him by end avoring to get Mrs. Thornton to again elope with him. This she refused to do and ordered him to leave the house, which so enraged him that he seized her by the hair and cut her throat with a pocket knife. He then cut a terrible gash

in his arm.

No cause is assigned. CINCINNATI, Nov. 10 -- Frederick Egner has confessed that he saw George Ruter kill Her-

mann Schilling. CINCINNATI. Nov. 10 .- Young Egner, in his confession, states that Rufer left his father's bar-room at ten o'clock Saturdry night; went through the gate from the store yard and hid himself in the harness room; that he (Egner) posted himself by the gate to watch. At five minutes past ten o'clock Schilling let himself into the yard by a gate on Gamble alley and then the struggle commenced. Rufer had previously armed bimself with a long piece of board. As soon as the struggle began Schill-ing cried out, "watch, murder," but no one appeared to help him, and his voice was soon chooked down and all was quiet. Egner says, he cannot swear positively that it was Rufer The John Murray whose arm was accident-ally cut off in the planing mill of Messrs. Smith ally cut off in the planing mill of Messrs.
